GRAY & PAPE
HERITAGE MANAGEMENT

CAPABILITY STATEMENT

Founded in 1986, Gray & Pape, Inc. is a Woman-Owned Small Business specializing in cultural resources management and historic preservation services. Working under Section 106 of the National Historic Preservation Act, we assist clients with navigating the federal and state requirements for projects that may potentially affect historic resources. Through offices in the Northeast, Mid-Atlantic, Midwest, Southeast, and Rocky Mountains, we provide professional consultation for all phases of work and have established a strong reputation with clients in the energy, transportation, and government sectors for understanding the intricacies of project planning and permitting. Our staff of professionals include archaeologists, architectural historians, GIS Specialists, and preservation planning experts. Our project leaders meet or exceed the Secretary of Interior's Professional Qualifications Standards (36 CFR 61 Appendix A) and are listed as qualified professionals on multiple State Historic Preservation Offices' consultant lists.

Our Services

Archaeology – Phase I–III surveys, data recovery, geoarchaeology, maritime archaeology, predictive modeling

History & Architecture – Building and landscape surveys, National Register nominations, HABS/HAER documentation, preservation planning, tax credit consultation

Maritime Services – Underwater archaeology, remote sensing, paleolandscape assessments, BOEM/USACE compliance support

Cultural Heritage Management – Heritage risk modeling, CHMPs, Indigenous & Tribal consultation, World Heritage site assessments, public interpretation

Technical Services – Bioarchaeology, zooarchaeology, dendrochronology, Drone-based Photogrammetry, artifact analysis, 3D and GIS modeling, geophysical archaeology, LiDAR, Geophysics/Remote Sensing – GPR, Magnetometry, Soil Resistivity
